

## PUBLICATION GUIDELINES

---

1. The paper should indicate an innovation or contribution in the field.
2. The paper should not have published before.
3. The paper should be free from grammatical errors as well as typing mistakes.
4. The paper must follow scientific methodology of research in the field of Fiqh and Usul Fiqh.
5. The paper will be assessed by two assessors.
6. The paper must contain an abstract of **150** words in English and its translation in Arabic, which comprises the research problem, methodology of research and important research findings. The abstract must have 5 keywords.
7. The discussion of ideas in the paper should be organized in subtopics according to the outlines with an introduction covering research background, literature review and outlines.
8. The paper should not exceed **(8,000)** words, and not less than **(4,000)** words including references, appendixes, charts etc.
9. First page of the paper must contain full name of author(s), emails, addresses, phone number and affiliations.
10. If the paper contains Quranic verses, those verses must be put inside decorated brackets -- and write the name of surah and the number of verses like this [al-Baqarah: 100]. Every Quranic verse must be translated into English. If the paper contains Prophetic al hadith, they must be put inside these brackets )---((, with the English translation also.
11. The references must be arranged alphabetically at the end of the paper, by using transliteration with *AHT Times New Roman* font. The font is available in this link.
12. Any appendixes must be placed after the list of references.
